FOREWORD

A yearbook is like a bottle of rare wine, the older it becomes, the more flavor it has, until it is cherished beyond monetary value. With this in mind, The Annual Staff of the 1950 Cushion has endeavored to make an imperishable record of a very happy school year at Cushing High School. Years in the future may this yearbook be a rare treasure to you.

Faculty and Student Body:

The Cushion comes to us again with increasing interest. It will be a job forever to turn back the pages of time and remember the hopes and achievements of the Cushing students.

It is my desire to express my sincere appreciation to our capable sponsor, her faithful staff, and a cooperative student body for an excellent annual. May it serve as a record of achievement as well as a constant reminder of experiences that stimulate thought and reasoning.

My most sincere wish for your future is that it will be filled with happiness and success.

Appreciatively yours,
